

Manual Shipping Plugin for Hikashop by Brainforge.UK

5.0 Quote Price Feature

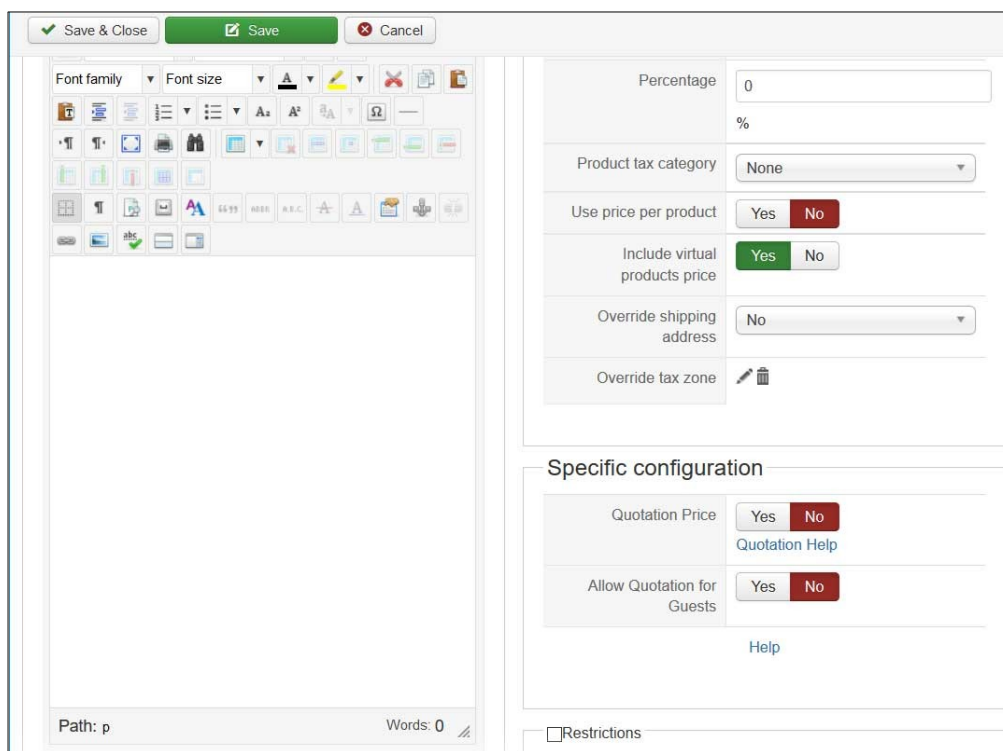

The screenshot shows the Hikashop Plugins administrator interface. On the left, a table lists installed plugins:

Status	Plugin Name	Type	Element	Access	ID
<input checked="" type="checkbox"/>	Hikashop Brainforge Quotation Plugin	hikashop	bf_quotation	Public	10224
<input checked="" type="checkbox"/>	Hikashop Brainforge Manual shipping plugin	hikashopshipping	bfmanual	Public	10118

On the right, the configuration for the 'Hikashop Brainforge Quotation Plugin' is shown. The plugin is enabled, and its access is set to 'Public'.

When enabled in the extensions Plug-ins administrator page this feature is usually used with the Hikashop / bf_quotation (available separately) plug-in. This also needs to be installed and enabled.

The screenshot shows the configuration screen for the 'Hikashop Brainforge Quotation Plugin'. The left side contains a rich text editor with a toolbar and a text area. The right side contains configuration options:

- Percentage: 0%
- Product tax category: None
- Use price per product: Yes (selected), No
- Include virtual products price: Yes (selected), No
- Override shipping address: No
- Override tax zone: (trash icon)

Below these are the 'Specific configuration' options:

- Quotation Price: Yes (selected), No, Quotation Help
- Allow Quotation for Guests: Yes (selected), No, Help

At the bottom, there is a checkbox for 'Restrictions'.

Once enabled the shipping method quotation specific features can be configured in the Hikashop System / Shipping Methods screen.

The *Quotation Help* link provides a link to the Hikashop / bf_quotation plug-in documentation which needs to be read in conjunction with this document.

5.1 A Simple Example

For a simple example of how this might be used consider a shop with 3 shipping methods configured.

The screenshot shows the Hikashop administration interface for configuring shipping methods. At the top, there's a navigation bar with tabs for System, Products, Customers, Orders, Display, and Documentation. Below this is a search bar and a filter section with 'Enter postcode', 'All plugins', and 'all'. The main table lists the configured shipping methods:

#	<input type="checkbox"/>	Name	Price	Restrictions	Type
1	<input type="checkbox"/>	Special Delivery Area		Quotation request Ignore method if any postcodes previously ... Postcodes : AB3[1-8] AB4[0-9] AB5[0-6] ...	Hikashopshipping - Manual Shipping for Hikashop by BrainforgeUK
3	<input type="checkbox"/>	Free		Ignore method if quoted postcodes previou... Postcodes : \$ [A-Z]	Hikashopshipping - Manual Shipping for Hikashop by BrainforgeUK

Below the table, there's a 'Display # 20' dropdown and 'Results 1 - 3 of 3'.

The screenshot shows two side-by-side configuration screens for the 'Manual Shipping' plugin. The left screen is for the 'Special Delivery Area' method, and the right screen is for the 'Free' method.

Left Screen (Special Delivery Area):

- Name:** Special Delivery Area
